

April 11, 2018

Dear AFT Members,

AFT Michigan is holding its 75th Convention on May 19, from 8 a.m.-6 p.m. at The Greektown Casino Hotel in Detroit, Michigan, and YOU are invited to join us!

What's a state convention?

State conventions are held every two years for the purposes of making amendments and resolutions to the AFT Michigan's Constitution, electing various AFT Michigan leadership officials, and providing members a voice in shaping AFT Michigan's future direction and initiatives.

Why should I consider attending?

At the convention, you will receive breakfast, lunch, and some AFT swag. You'll also have the chance to engage with your MCC colleagues and with AFT members from across the state. As an added perk, AAFMCC will also reimburse you for your mileage to and from Greektown given that you submit a mileage reimbursement form to us by May 30.

What makes this year's convention so important to AAFMCC?

On May 19th, delegates from AFT locals across the state will vote on several amendments related to AFT Michigan's dues structure, and it is crucial that we represent our voice as adjuncts at Macomb Community College.

How many AAFMCC members can attend?

AAFMCC is permitted to seat up to 16 delegates.

What do I need to do if I want to attend?

Convention delegates must be elected by secret ballot, and we encourage all interested AAFMCC members in good standings to nominate themselves.

If you'd like to join in on this day of solidarity, please complete and email the attached nomination form to aafmccsecretary@gmail.com by Wednesday, April 18.

What happens after I nominate myself? How do I get elected to serve as a convention delegate?

After the April 18 deadline, AAFMCC will email the membership an electronic ballot containing all the delegate nominees.

Members will have until Thursday, April 23, to electronically elect 16 convention delegates.

Elected delegates will be notified via email and phone by Monday, April 30.

We have 500 active members this semester and 1091 total members.

Let's fill all 16 delegate seats and represent AAFMCC on May 19th!

In Solidarity,

AAFMCC EB
