

March 1, 2018

Dear AAFMCC Members,

Tomorrow, March 2, MCC will be distributing our 3% MSPERS refunds.

The 3% victory is a testament to the power of collective action and solidarity. These refunds to Michigan public school teachers are a direct result of union activism, volunteerism, AFT union dues, and AFT legal representation.

As AAFMCC moves into bargaining, let your 3% refund serve as a reminder of the power of collective action. The fight for better wages and for more equitable working conditions for MCC's adjuncts is not only the Bargaining Team's fight: it's your fight, too! **AAFMCC's victories are dependent on your involvement, your volunteerism, and your support during this contract campaign.**

**Let's do this!**

In Solidarity,  
AAFMCC EB
